

Worksheet 9

Student Name: Shivam Kumar Srivastava

Section/Group: 1/B

Semester: 1

Date of Performance: 10 May 2023

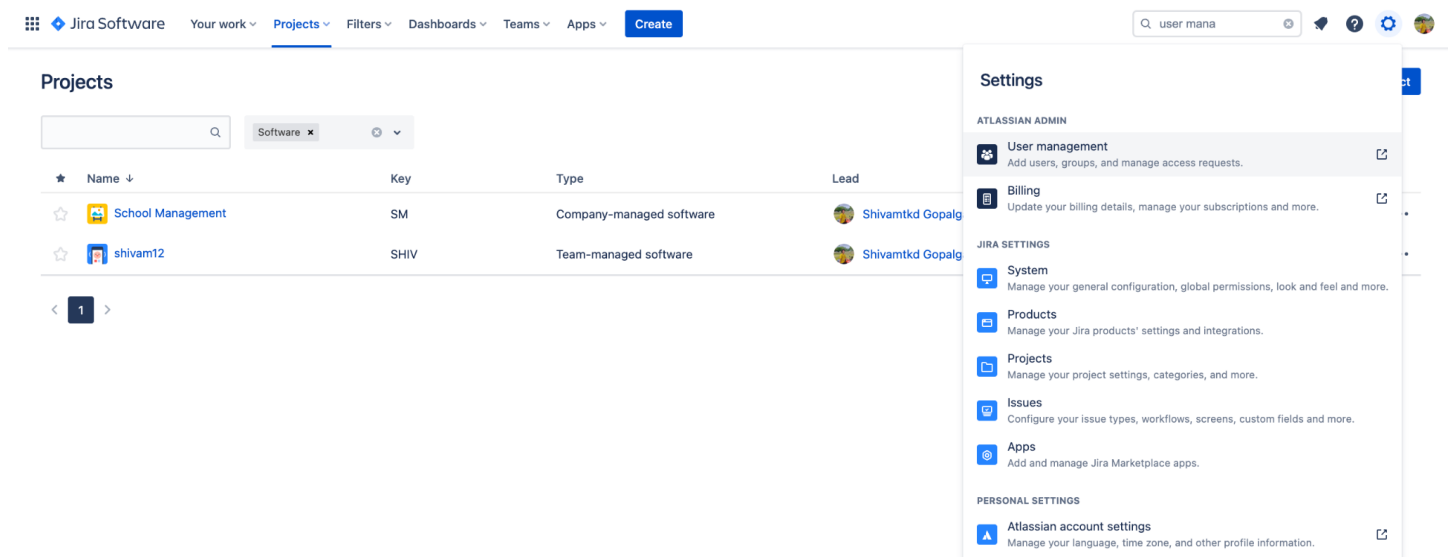

Subject Name: Software testing

UID- 22mcc20130

Q. Create a team of atleast three and assign a issue or bug.

Steps to create a team and assign a issue:

- 1) Login in to your Jira account
- 2) Click settings button on the top right of the page and select user management settings from it

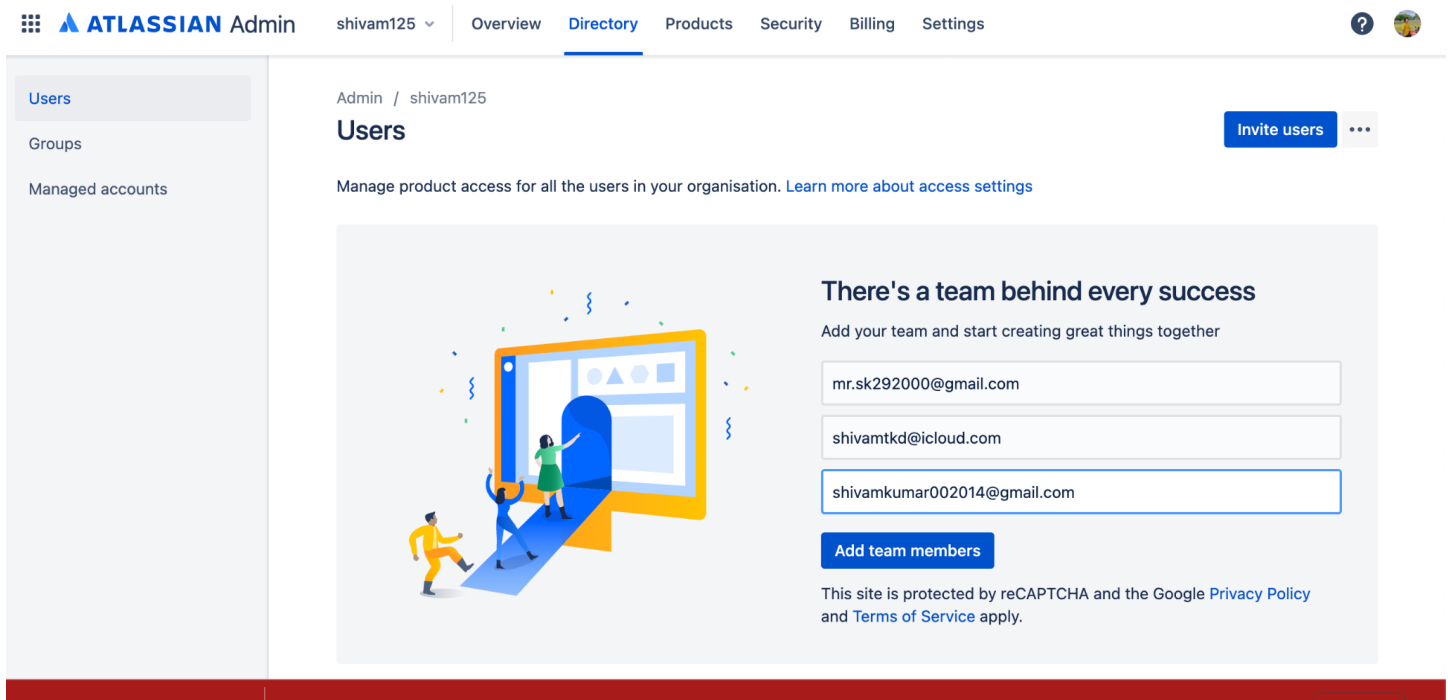

The screenshot displays the Jira Software interface. On the left, the 'Projects' table lists two projects: 'School Management' (Key: SM, Type: Company-managed software, Lead: Shivamtkd Gopal) and 'shivam12' (Key: SHIV, Type: Team-managed software, Lead: Shivamtkd Gopal). On the right, the 'Settings' menu is open, showing options for 'User management', 'Billing', 'System', 'Products', 'Projects', 'Issues', 'Apps', and 'Personal Settings'. The 'User management' option is highlighted.

Name	Key	Type	Lead
School Management	SM	Company-managed software	Shivamtkd Gopal
shivam12	SHIV	Team-managed software	Shivamtkd Gopal

Settings

- ATLASSIAN ADMIN
 - User management: Add users, groups, and manage access requests.
 - Billing: Update your billing details, manage your subscriptions and more.
- JIRA SETTINGS
 - System: Manage your general configuration, global permissions, look and feel and more.
 - Products: Manage your Jira products' settings and integrations.
 - Projects: Manage your project settings, categories, and more.
 - Issues: Configure your issue types, workflows, screens, custom fields and more.
 - Apps: Add and manage Jira Marketplace apps.
- PERSONAL SETTINGS
 - Atlassian account settings: Manage your language, time zone, and other profile information.

3) You will be redirected to administration settings page and now add user by selecting users from the left side of the panel.

User	Last active	Status	Actions
 Saurav Kumar mr.sk292000@gmail.com	May 11, 2023	Invited	Resend invite ...

< 1 >

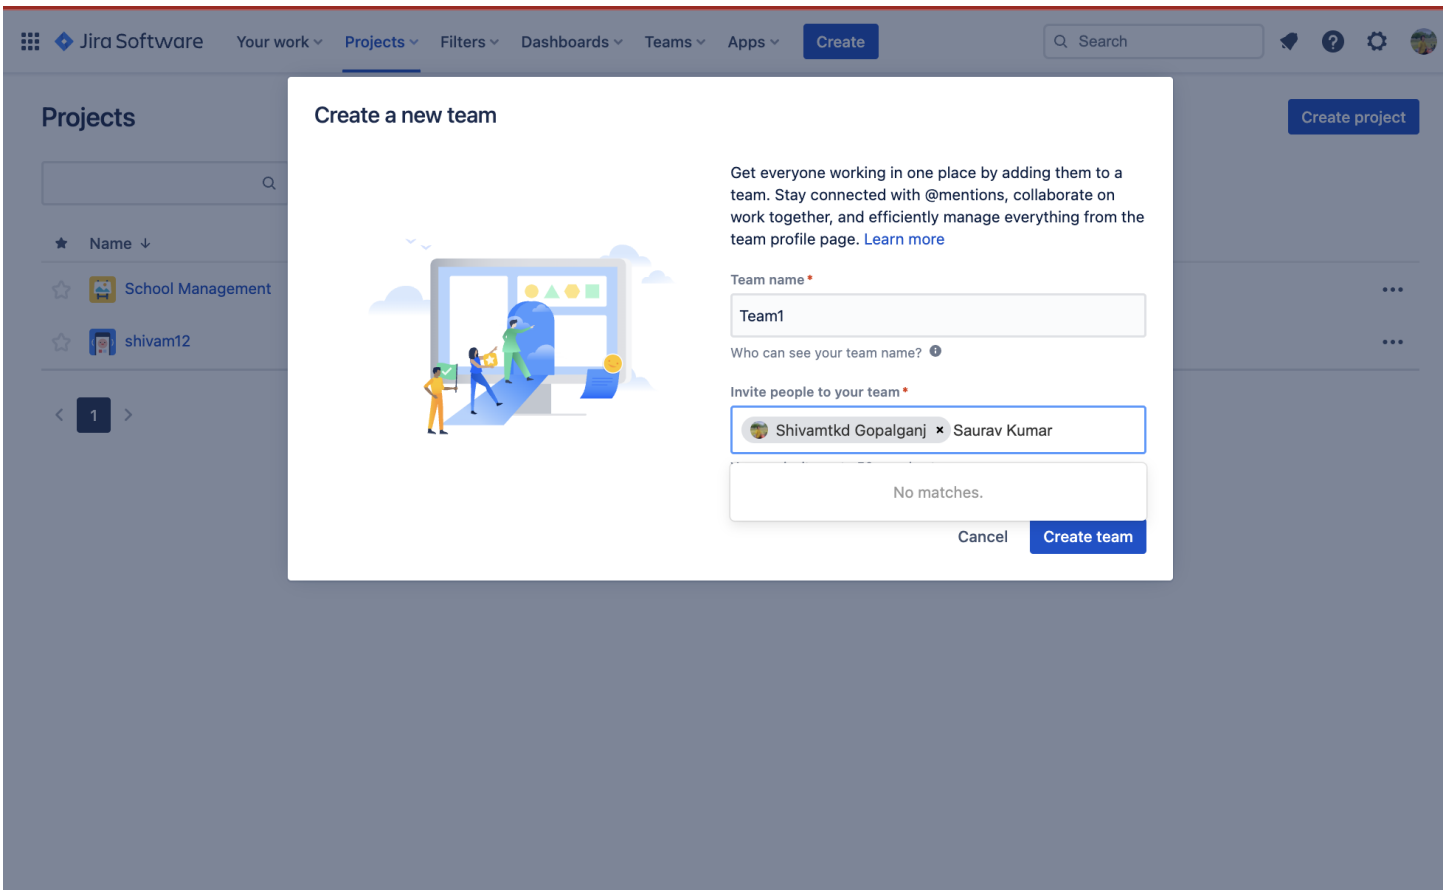

5) Now go back to projects page and click on Teams option from the top menu and click on create a team.

The screenshot shows the Jira Software interface. The top navigation bar includes 'Jira Software', 'Your work', 'Projects', 'Filters', 'Dashboards', 'Teams', 'Apps', and a 'Create' button. A search bar is on the right. The 'Teams' menu is open, showing options: '+ Invite people to Jira', 'Create a team', and 'Search people and teams'. The 'Projects' section on the left has a search bar and a dropdown menu set to 'Software'. Below this is a table of projects:

Name	Key	Type	Lead
School Management	SM	Company-managed software	Shivamtkd Gopalganj
shivam12	SHIV	Team-managed software	Shivamtkd Gopalganj

6) Provide a team name and add team members who were added in the user and create team.

The screenshot shows the 'Create a new team' dialog box in Jira Software. The dialog has a title 'Create a new team' and a description: 'Get everyone working in one place by adding them to a team. Stay connected with @mentions, collaborate on work together, and efficiently manage everything from the team profile page. [Learn more](#)'. There is an illustration of people working together. The 'Team name' field is filled with 'Team1'. Below it, the 'Who can see your team name?' field is set to 'Public'. The 'Invite people to your team' field shows two members: 'Shivamtkd Gopalganj' and 'Saurav Kumar'. Below this field, it says 'No matches.' At the bottom right, there are 'Cancel' and 'Create team' buttons.

7) Now from teams option you can view your team by clicking on your team name.
